About Arleen and Ted Taveras

Owners of:

Insurance Licensing Services of America, Inc.
www.ilsainc.com

and

(ILSA, LLC) Spot on Insurance Podcast
www.spotoninsurance.com

The first is the largest insurance licensing and compliance service for US insurance agencies-- we started this business in 1997. 90% of our clients are in the commercial P&C and surplus lines sector. In central Texas we have a team of over 50 employees handling complex compliance matters for over 20,000 insurance professionals and their agencies.

The second is where we produce our weekly Spot on Insurance podcast. We interview industry leaders from all over the world and in all sectors of insurance to share their knowledge and discuss innovative solutions they are creating in the industry. Our audience is comprised of insurance brokers, chief compliance officers, regulatory attorneys, compliance administrators, insurance recruiting firms, regulators, insurance company executives, and insurtechs.

We love sharing resources - like events and conferences - with our podcast listeners!

Our social media platforms include Instagram, Facebook, YouTube, the major podcasts channels and our LinkedIn networks exceed 35,000. Annually we provide compliance services to over 25,000 insurance producers and agencies.

As the hosts of Spot on Insurance, we have been invited to many industry events including:

Business Insurance (BI) as on site event award presenters at the BI US insurance awards gala in NYC: 500+ attendees

Insuretech Connect (ITC) as on site event moderators and podcast promoters: 8000+ attendees
